

CV of Invited Faculty

Ming-Shi Shiao

Position	Professor (retired)
Department, Affiliation	Department of Biomedical Sciences, Chang Gung University
Major Field	Metabolomics, healthy aging research
Professional Activities: (Career or membership)	President, Taiwan Metabolomics Society
Short Bio (in 150 words):	<p>Education 1974/9 -1978/12 Ph.D., Bioorganic Chemistry, Brown University, Providence, RI, USA 1968/9 -1972/6 B.S., Chemistry, National Taiwan University, Taiwan</p> <p>Professional Experience 2019/8/1- Professor Emeritus, Department of Biomedical Sciences, Chang Gung University, Taiwan 2019/8- Adjunct Professor, Graduate Institute of Biopharmaceutical Sciences, National Yang Ming Chau Ton University, Taiwan-</p>

Short Bio (in 150 words):

2016/8-2019/7 **Visiting Professor**, Department of Biomedical Sciences, Chang Gung University, Taiwan

2015/11-2016/7 **Professor**, Department of Biomedical Sciences, Chang Gung University, Taiwan

2012/11-2015/11 **Distinguished Professor**, Department of Biomedical Sciences, Chang Gung University, Taiwan

2006/8– 2012/10 **Professor**, Department of Biomedical Sciences, Chang Gung University, Taiwan

1985 -2006 **Investigator**, Department of Medical Research, Taipei Veterans General Hospital, Taiwan

1990 - 1991 **Visiting Scientist**, Merck Research Laboratories, Merck & Co., Rahway, NJ, USA

1980 - 1985 **Associate Research Fellow**, Institute of Botany, Academia Sinica, Taiwan

1983 - 1984 National Institute of Health Fogarty Fellow, Department of Chemistry, Columbia University, New York, NY, USA

1979 - 1980 Postdoctoral Research Fellow, Department of Physiological Chemistry, University of Wisconsin- Madison, Madison, WI, USA

1983 - 1984 National Institute of Health Fogarty Fellow, Department of Chemistry, Columbia University, New York, NY, USA

1979 - 1980 Postdoctoral Research Fellow, Department of Physiological Chemistry, University of Wisconsin- Madison, Madison, WI, USA

Awards

1991 Outstanding Research Award, National Science Council, Taiwan

1987, 1988 Outstanding Research Prize, Vocational Assistance Commission for Retired Servicemen, Taiwan

1983 Public Health Service International Research Fellowship, John E. Fogarty International Center, NIH, USA

1979 Potter Prize in Chemistry for an outstanding PhD. thesis, Brown University, Providence, RI, USA
