Donovan Tay

Position	Medical Director
Department, Affiliation	Arden Diabetes and Endocrine Clinic
Major Field	Endocrinology
Professional Activities: (Career or membership)	Honorary Secretary of the Chapter of Endocrinologists, Academy of Medicine Singapore
Short Bio (in 150 words):	<p>Dr. Donovan Tay is a senior consultant endocrinologist in private practice in Mount Elizabeth Novena Hospital and a visiting consultant to Sengkang General Hospital. His clinical expertise and interest include management of metabolic bone diseases. He runs a metabolic bone clinic to provide comprehensive care to diagnose, manage and counsel patients with metabolic bone diseases and osteoporosis as well as the rarer genetic conditions related to bone metabolism. He also established the fracture liaison service in Sengkang General Hospital. He graduated from National University of Singapore (NUS), completed training and obtained his Membership of Royal College of Physicians (United Kingdom), Master of Medicine (NUS) and Master of Clinical Investigation (NUS). Upon completion of advanced training in Endocrinology, he was conferred a Fellow of the Academy of Medicine, Singapore (FAMS). He was awarded a scholarship and underwent a fellowship at the prestigious Columbia University Medical Centre in New York City.</p>
