Short Bio (in 150 words):

Dr. Shu-Yi WANG is an attending physician in the Division of Endocrinology and Metabolism at Changhua Christian Hospital and the Director of the Diabetes Education Center. She also serves as a board member of the Endocrine Society of Taiwan. She obtained her M.D. from Kaohsiung Medical University and a Master's degree in Clinical Medicine from Chung Shan Medical University. With extensive experience in endocrinology, she has previously held positions as the Chief of the Division of Endocrinology and Metabolism and Deputy Director of the Clinical Trial Center at Changhua Christian Hospital. Her research focuses on thyroid cancer, general thyroid diseases, and the risk factors and complications of diabetes. She is dedicated to diabetes education and patient care, integrating clinical practice with academic research to enhance the diagnosis, treatment, and management of endocrine disorders.
